# ABOUT US

## Pharos Marine Services

We are a premium ship supplier group specializing in Bunker Fuel Supply , general ship supplies, provisions and bonded stores, spare parts and leading technical maritime brands through its extensive network. Pharos Marine Services has strived to be a trusted partner to our customers and is focused on delivering exceptional customer service that “Keeps you sailing”. By offering a comprehensive range of premium ship stores, we ensure that we consistently deliver best-in-class services which meet the quality standards and expectations of our customers. Apart from having watertight control over quality, the freshness of our provision products makes them a customer’s delight. A wide-ranging array of bonded stores is also supplied by us. Our extensive product list covers almost all that is available making us a one-stop store, and probably the best premium ship suppliers in the Middle East.

## MISSION

To provide vessels and maritime clients with high-quality Fuels , provisions, bonded stores, deck and engine supplies, and essential marine services through reliable sourcing, timely delivery, competitive pricing, and professional customer service. We are committed to supporting safe, efficient, and uninterrupted vessel operations while building long-term relationships with our customers and suppliers.

## VISION

To be a trusted and leading Marine Service Provider, recognized for reliable service, quality supplies, competitive solutions, and excellence in supporting vessels and maritime operations worldwide.

## CORE VALUES

Reliability  Quality  Customer Focus  Continuous Improvement  Safety

Efficiency  Professionalism  Teamwork  Integrity  Sustainability

# CORE FLEET & OPERATIONAL SERVICES

## 1 Ship Agency Services

*Your Trusted Partner in Port Operations & Vessel Support*

Pharos Marine provides comprehensive 24/7 port agency services across All Egyptian & UAE Ports. We handle all technical, administrative, and logistical requirements for vessels, ensuring seamless port calls, fast turnarounds, and full compliance with local maritime authorities.

### Core Agency Solutions:

- Port Clearance & Logistics: Handling inward/outward vessel clearance, customs documentation, and port authority coordination.
- Husbandry & Crew Support: Complete crew change services, medical assistance, meet & assist, and shore transit arrangements.
- Suez Canal Transit: Specialized agency support for smooth and efficient Suez Canal passage and bunkering stops.
- Vessel Maintenance & Supplies: Coordinating emergency repairs, technical provisions, and fresh water/bunker delivery while at berth or anchorage.

## 2 Vessel Chartering

*Flexible Fleet Solutions & Global Maritime Transport*

Pharos Marine offers tailored vessel chartering and brokerage solutions to meet global shipping and offshore operational demands. We connect cargo owners with reliable vessel operators, securing optimal freight rates, safe cargo handling, and efficient route management.

### Key Chartering Services:

- Dry Bulk & Break-Bulk Chartering: Dedicated tonnage solutions for raw materials, heavy equipment, and general cargo.
- Tanker & Energy Transport: Specialized chartering for crude oil, refined petroleum products, and chemical shipments.
- Offshore & Support Vessels (OSV): Supplying tugs, supply boats, and specialized craft for offshore oil & gas operations.
- Time & Voyage Chartering: Flexible contracts customized for single-voyage trips or long-term operational charters.

## 3 Legal Assistance & Consultancy

*Protecting Interests & Ensuring Full Regulatory Compliance*

Pharos Marine provides specialized maritime legal support and advisory services for shipowners, charterers, and operators. We offer expert guidance to navigate complex international maritime laws, protect commercial interests, and minimize operational and financial risks.

### Core Legal Services:

- Maritime Claims & Dispute Resolution: Expert assistance in handling cargo claims, charterparty disputes, collision claims, and salvage negotiations.
- Contract Drafting & Advisory: Drafting and reviewing charterparties, bill of lading agreements, and international commercial shipping contracts.
- Regulatory & Port Compliance: Ensuring full adherence to local port regulations, flag state requirements, and IMO/MARPOL marine standards.
- P&I Club Local Assistance: Working closely with Protection & Indemnity (P&I) clubs and insurers for rapid incident resolution and survey support.

# LOGISTICS, SUPPLIES & INSPECTION

## 4 Bunker Fuel Supply & Trading

*Reliable Fuel Solutions & Global Maritime Refueling*

Pharos Marine provides high-quality bunkering services and marine fuel supply for all vessel types across strategic ports. We ensure seamless fuel logistics, strict quality control according to ISO 8217 standards, and competitive pricing to keep your fleet moving efficiently.

### Core Bunkering Services:

- Marine Fuel Supply: Supplying Very Low Sulphur Fuel Oil (VLSFO), Heavy Fuel Oil (HFO), (ULSFO), (LSMGO), and Marine Gas Oil (MGO/MDO).
- Bunkering Operations: Efficient offshore and at-berth refueling via specialized bunker barges and pipeline transfers.
- Fuel Quality & Compliance: Full adherence to IMO 2020 MARPOL Annex VI regulations and rigorous fuel lab testing.
- Lubricants & Technical Oil: Supply of major-brand marine lubricants, cylinder oils, and hydraulic fluids.

## 5 Fuel Trading & Energy Solutions

*Strategic Marine Energy Sourcing & Global Trading*

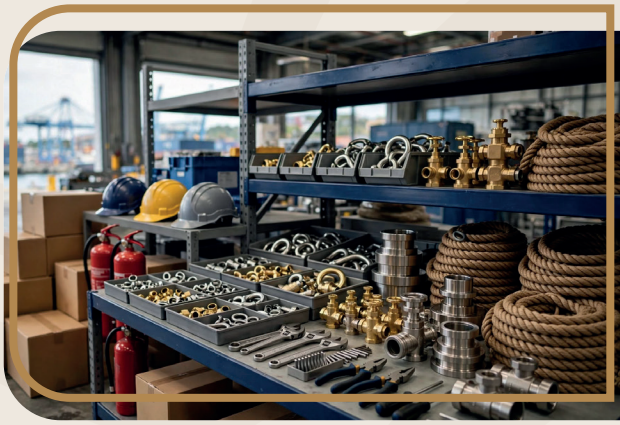
Pharos Marine provides global fuel trading and energy procurement services for shipowners and operators. We manage fuel supply chains to ensure competitive pricing, secure energy sourcing, and reliable delivery of compliant marine fuels across worldwide shipping routes.

### Key Fuel Trading Solutions:

- Global Fuel Sourcing: Strategic procurement of high-grade marine fuels, VLSFO, HSFO,ULSFO, LSMGO and MGO across key bunkering hubs.
- Risk Management & Pricing: Flexible pricing models and hedging strategies to protect clients against market price volatility.
- Supply Chain Management: Complete logistics coordination ensuring seamless delivery from suppliers to vessel tanks.
- Quality & Environmental Compliance: Strict quality control compliant with ISO 8217 and IMO MARPOL regulations.

## 6 Ship Supply & General Store

*Comprehensive Provisions & Technical Marine Chandlery*



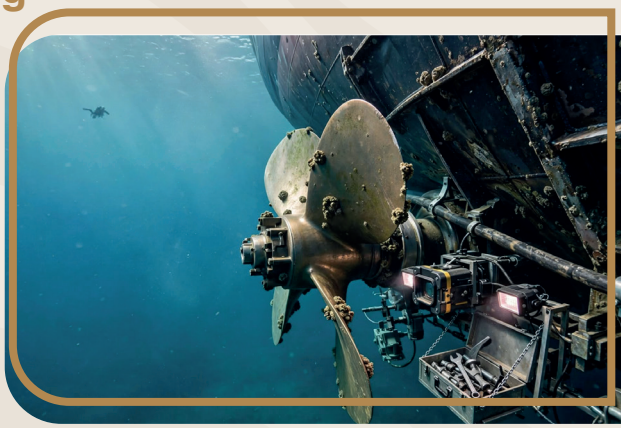
Pharos Marine delivers a complete range of high-grade ship supplies, provisions, and technical stores to keep vessels fully equipped and operational. We ensure fast and reliable delivery to all Egyptian ports and anchorages with strict quality control and competitive pricing.

### Key Supply Services:

- Provisions & Bonded Stores: High-quality fresh, dry, and frozen provisions, beverage options, and duty-free bonded goods tailored to multinational crew diets.
- Deck & Engine Stores: Comprehensive technical equipment, tools, valves, marine hardware, ropes, and specialized spare parts for onboard maintenance.
- Cabin & Medical Stores: Full galley supplies, cabin cleaning gear, crew welfare items, and IMO-compliant medicine chests and first-aid kits.
- Safety & Firefighting Equipment: Supply, inspection, and certification of life-saving appliances (LSA), pyrotechnics, fire extinguishers, and personal protective equipment (PPE).

## 7 Marine Contractors&Engineering

*Technical Expertise & Underwater Offshore Solutions*



Pharos Marine delivers specialized marine contracting and offshore technical support for vessels, ports, and maritime infrastructure. Supported by certified engineers and professional diving teams, we execute complex marine projects with maximum efficiency, precision, and adherence to global safety standards.

### Key Supply Services:

- Underwater Commercial Diving: Comprehensive underwater hull cleaning, propeller polishing, video inspections, and class-approved surveys.
- Ship Repair & Maintenance: Onshore and afloat mechanical, electrical, and structural steel repairs to restore vessel seaworthiness.
- Dredging & Port Construction: Marine infrastructure support, seabed preparation, channel clearing, and jetty maintenance.
- Salvage & Towage Operations: Emergency response, refloating assistance, and heavy-duty ocean towage for ships and barges.
